10	130724106	Pecan Valley MHMR Region dba Pecan Valley Centers	Community Mental Health Center (CMHC)	Non-State Owned Public	Home-based Services	Required	Y	All services rendered under the Texas Resilience and Recovery (TRR) model, as outlined in the 2017 TRR Utilization Management (UM) Guidelines for both adult and child/adolescent services.	Needs More Information	This system component is approved for reporting. However, the provider has selected measure M3-160, Follow-Up After Hospitalization for Mental Illness, but did not include an inpatient component as part of their OSRP system. As a reminder, as clarified in the Category C Specifications FAQ, the denominator for Category C measures must come from a provider's Category B System. Measure requires discharge within the OSRP system (state assigned hospital beds, for example). Please add a system component in order to be eligible to report on M3-160 or make changes to the Category C selection.	Category C measure denominator only includes those individuals hospitalized from the provider's Category B approved system population admitted to and discharged from an acute inpatient setting (PIC currently contracts with Red River Hospital within the OSRP system for rapid crisis stabilization beds) with a principal diagnosis of mental illness on or between January 1 and December 31 of the measurement period.	Approved for Reporting	The system component is approved for reporting.
