

Anchor Update- 11/9/18

Good Morning Region 10 Providers,

HHSC had one update for providers this week.

Category C

- Category C NMI reporting will be submitted in an NMI specific reporting template. HHSC has removed the current Category C Reporting Template from the online reporting system bulletin board, and the Category C NMI Reporting Template will be posted the week reporting notices are sent out.

Updates for Anchors:

DY7 Annual Report

- The DY7 RHP Annual Report template is attached. It mirrors templates from previous years. The data tab will be completed by HHSC but is included so that you can see the type of RHP-level data that will be provided to CMS. The templates are due to HHSC by December 15, 2018.

Anchor Administrative Cost Claiming

- As a reminder, providers must submit their DY7 Round 2 Anchor Admin Cost Claiming to HHSC by November 15, 2018. The cost template and the percent-of-effort template must be submitted to TXHealthcareTransformation@hhsc.state.tx.us by this time. These templates are available on the waiver website under Anchor Administrative Cost Claiming: <https://hhs.texas.gov/laws-regulations/policies-rules/waivers/medicaid-1115-waiver/1115-medicaid-waiver-tools-guidelines-regional-healthcare-partnership-participants>.
