

Anchor Update 2/24/17

Good Afternoon Region 10 Providers,

I have a few brief updates for you below.

October DY5 Reporting

- Distribution of the October DY5 NMI Review Results has been delayed. Providers should expect to receive their NMI reporting results early next week. Please note that only providers who received NMI requests at the end of the October DY5 Initial Review will receive updated reporting summaries.

Draft DY7-8 PFM Survey

- Just a reminder that the survey for feedback on the Draft DSRIP DY7-8 PFM will close on **Tuesday, February 28th**.

Category 3 Survey

- Attached is the list of Category 3 measures asked about in the targeted Cat 3 provider survey. These are outcomes that are under consideration for inclusion in DY7-8.
