Care Transitions Inpatient Measure Participation

Provider	CT IP Measures	Start Date	Most Recent
Baylor Health Care System	Measure 2	Feb-2014	Feb-2016
JPS Health Network	Measure 1, 2, 3	Feb-2014	May-2016
Texas Health Fort Worth	Measure 3	Feb-2014	May-2016
UNT Health Science Center	Measure 3	Jul-2014	May-2016
Wise Regional Health System	Measure 1, 2, 3	Feb-2014	May-2016

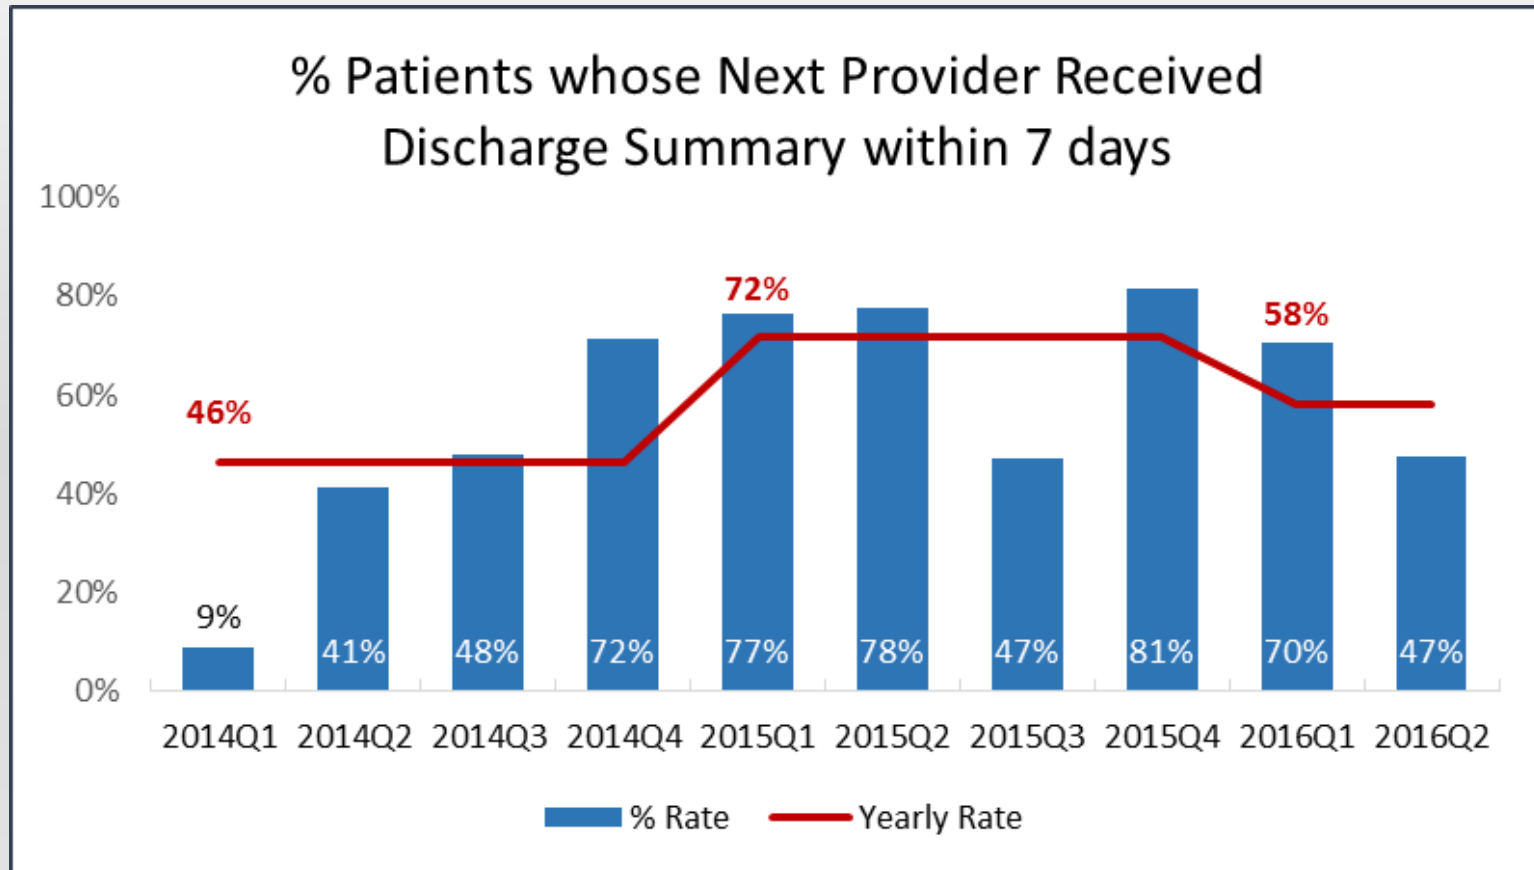

Care Transition Inpatient

All Providers doing well.

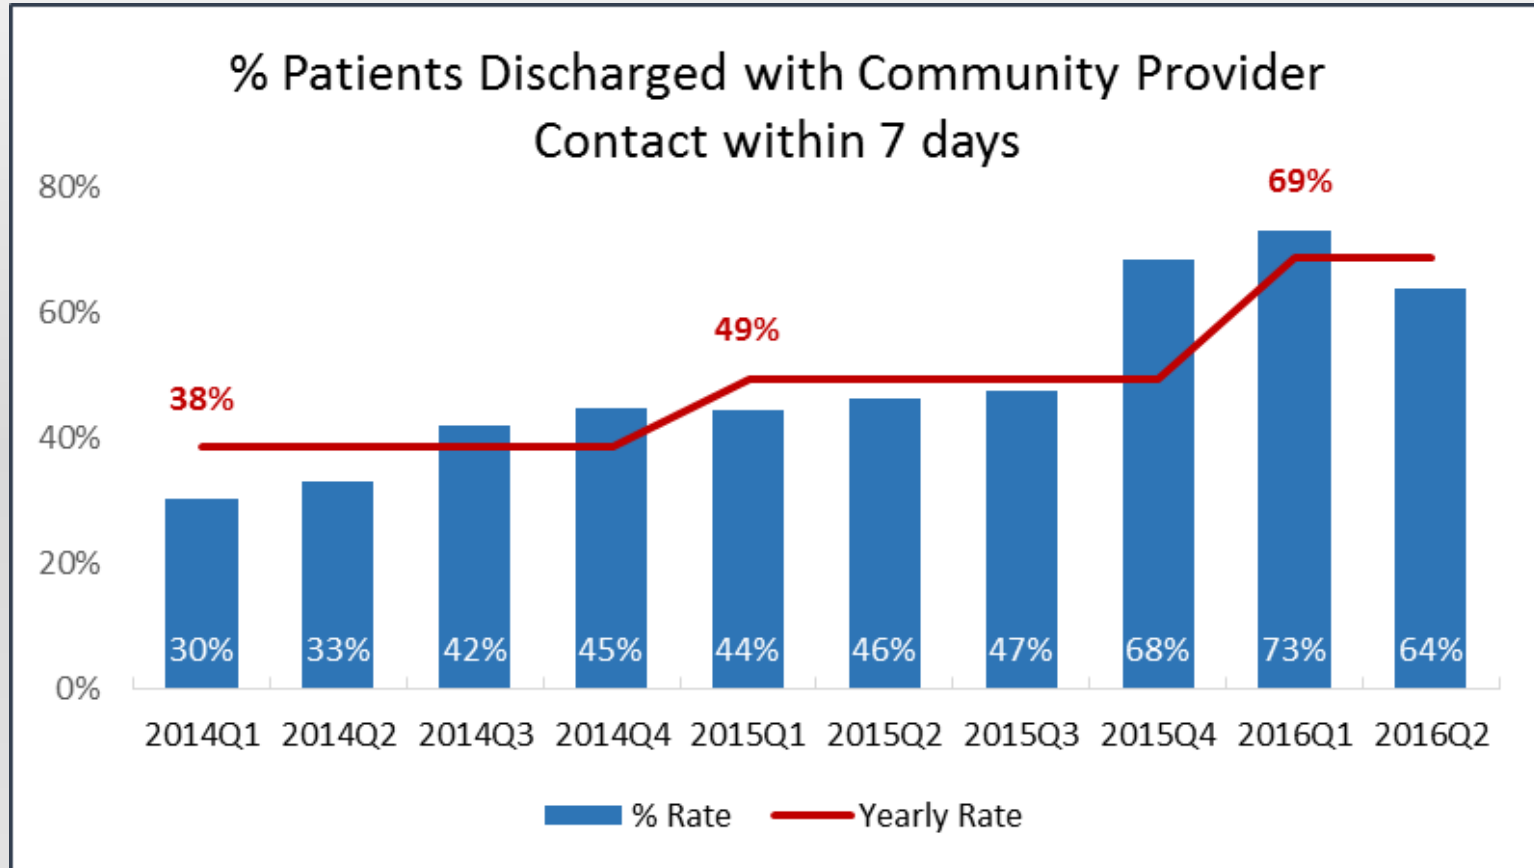

Care Transition Inpatient

Excellent improvement in 2014, but some low performing quarters have hurt our overall progress.

Care Transition Inpatient

Steady improvement across first two years with accelerated progress in 2015Q4 and 2016Q1.

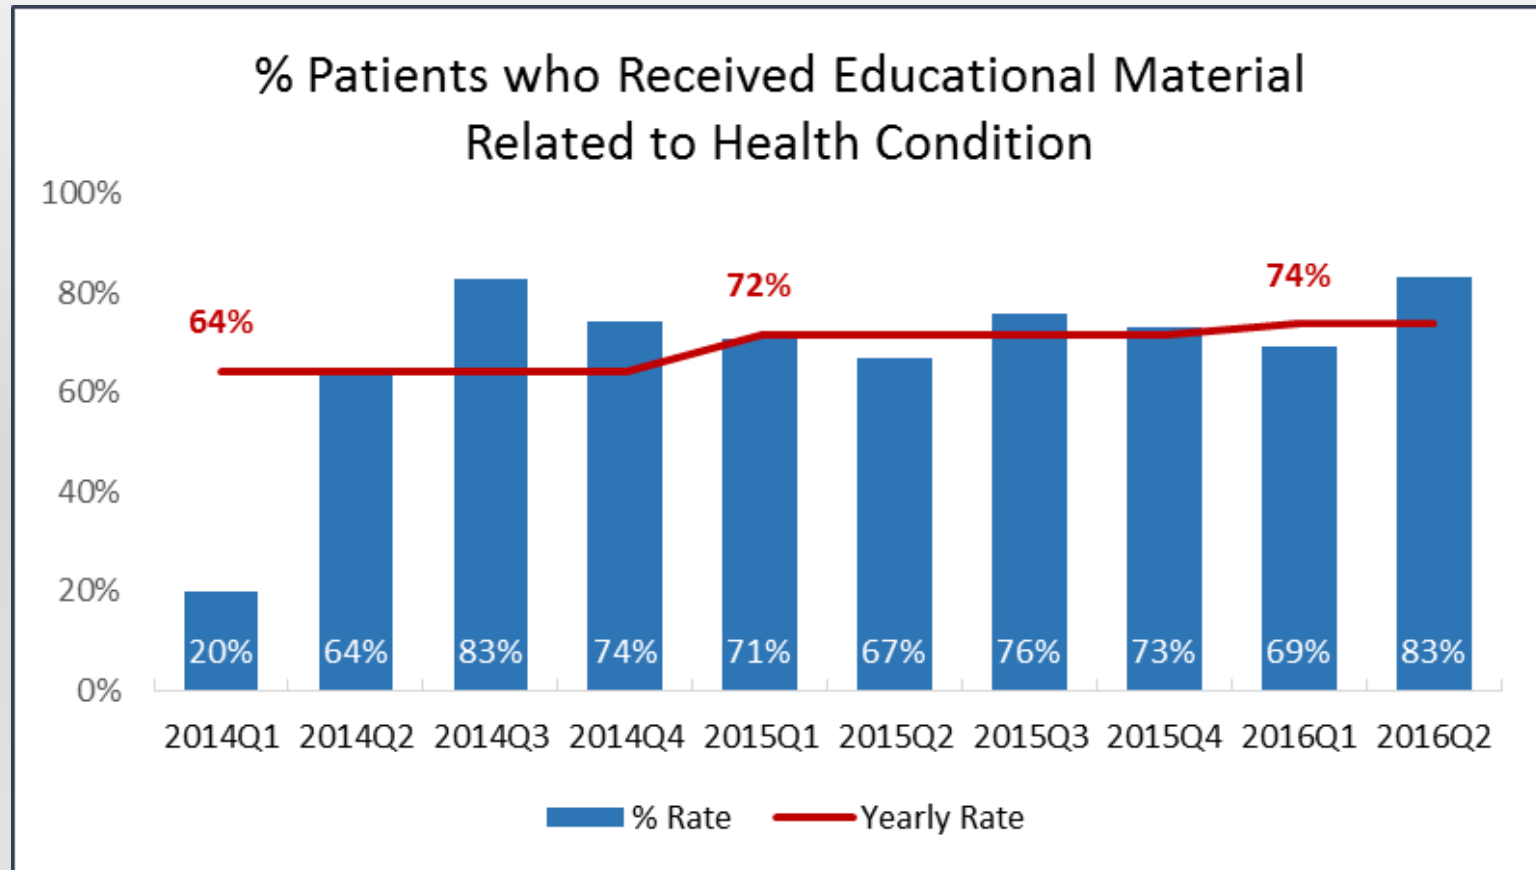

Care Transitions Outpatient Measure Participation

Provider	CT OP Measures	Start Date	Most Recent
MHMR Tarrant County	Measure 1 & 2	Jan-2014	Apr-2016
UTSW/Moncrief Cancer Institute	Measure 1 & 2	Jan-2014	Apr-2016
Texas Health HEB (<i>discontinued</i>)	Measure 1 & 2	Feb-2014	Dec-2014

Care Transition Outpatient

Rapid improvement in 2014 with fairly stable results since then.

Care Transition Outpatient

Rapid improvement in 2015Q1 with excellent results since then.
