1. Increase and ensure that there is ongoing case management to ensure self-sufficiency
   - **Waco Foundational Employment Network**
   - Increase coordination among job training programs to increase capacity to serve job seekers. Raises awareness of job training/placement programs among employers. Supports entry-level employees to ensure job retention.
   - Coordinated by PW, data reported by multiple job training/placement programs.
   - Partners meet twice monthly since April 2015, data on job placements collected since June 2016. Proposal drafted to fund partner to coordinate and support services to employees.
   - Job placement and retention data reported by WFEN partners

2. Provide targeted case management for transitional age children
   - **Waco ISD HS Internship Program**
   - Exposes high school students to real world scenarios and workplace settings
   - Waco ISD Career and Technical Education with support from PW
   - Piloted with 20 students in 2016 - Summer 2017 recruitment underway
   - Number of students and employers participating and post-internship surveys

3. Introduce high school age students to real world scenarios and workplace settings
   - **Work Readiness Credential**
   - Develops locally-validated work readiness certificate curriculum embraced by employers
   - MCC with support from CORD and Greater Waco Chamber
   - All modules of curriculum completed, Program pilot to occur in Spring 2017.
   - Participant job placement and retention, participant and employer satisfaction surveys

4. Better connect benefits training to job training/soft skills training
   - **Reintegration Roundtable**
   - Provide support and resources for individuals returning from incarceration to assist them in securing and retaining employment and decreasing recidivism
   - MHMR and social service agencies
   - Funding approved by City and County in Fall 2016. Program launched in Nov. 2014. 2017 first full year of program.
   - Employment rate of formerly incarcerated, reduction in rate of recidivism, reduced annual county jail population

### Employment - Increase employment of Waco residents ages 16-24 by 900 individuals.

1. Reduce the number of Waco-area residents with incomes below 50 percent of the federal poverty line.
   - **CampusTown Waco**
   - Improves retention of local college graduates to increase education and income levels
   - CTW Coordinator with support from CTW Steering Committee - Baylor, MCC, TSTC, Chamber, City of Waco
   - Student engagement activities by Coordinator, student engagement events, increased student participation in college internship program, increase in local graduates taking jobs in Waco

   - Identify next steps of training for those participating in WFEN and WRC
   - Train local residents on entrepreneurial roadmap

### Wealth - 1. Reduce the percentage of Waco-area households living below the liquid asset poverty rate to the TX avg. 2. More than 50 percent of Waco households will have a net worth above $15,000.

1. Increase account openings in adherence to BankOn account standards, zip code location of account openings relative to local poverty rates
