

AGENDA

Learning Session 2
Behavioral Health – Primary Care Integration
Care Transitions and Patient Navigation
June 30th, 2016

The Riley Center at Southwestern Seminary
1701 W Boyce Avenue, Fort Worth, Texas 76115

Theme-Sustainability

OBJECTIVES

1. To enhance the participants understanding of care transition and/or integrated behavioral health by providing best practice and applicable teach back tools in support of DY 5 metrics.
2. To provide a networking opportunity for providers and community partners to enhance DY 5 metrics through collaboration.
3. To provide insight to the transformational state of integrated behavioral care and/or care transitions.
