- Questions

WELCOME/ ROLL CALL

APRIL DY 5 REGIONAL REPORTING

Needs More Information

- HHSC has completed April DY5 Reporting Review for milestones and metrics that needed more information (NMI). Updated metric workbooks were distributed to providers and anchors on Thursday, August 4th.
- Please note that only providers who received NMI requests and/or "Incomplete" semi-annual reporting signoffs were sent updated workbooks.

TECHNICAL UPDATES

Compliance Monitoring

- The review of DY 3 Carry Forward and DY 4 metrics will run from May till the end of August.
- With regard to outstanding Category 1 and 2 - Round 1 for projects where additional work was requested by HHSC – HHSC is finalizing the review of these projects and metrics.

Category 3 Updates

- The Category 3 Interim Correction period is complete and corrections were due to HHSC on Friday, July 29th.
- HHSC has sent confirmation receipts to providers who submitted a Category 3 Interim Correction Template and will notify providers of their interim correction status by the end of August.
- Providers who had not yet submitted a baseline for a Population-focused Priority Measure (PFPM) were required to submit a baseline by August 2nd. HHSC has sent confirmation receipts to providers who submitted a PFPM baseline template and will provide feedback to providers by the end of August.

WAIVER RENEWAL

Waiver Renewal Update

- The UC Study is underway with contractors with a planned completion date of August 2016. A Draft version of the study was sent to CMS on July 15th.
- CMS has requested an initial high-level work plan for integration into managed care, which HHSC is developing and will share with stakeholders before formal submission to CMS. The work plan will specify that a subset of projects will be identified for integration into managed care that could be either continuing or replacement projects.
- HHSC is currently reviewing the completed DY6 DSRIP Participation Templates. HHSC will remind anchors/providers in the feedback process that funds associated with projects that providers elect not to continue in DY 6 will not be available to providers in DY 6 – 10.

Waiver Renewal Update

- **August 26, 2016** - HHSC will begin providing approval of requested MLIU reporting exceptions, required QPI/MLIU changes, and submitted next steps or request additional information. HHSC will also provide the updated Project Descriptions and Target Populations that were noted as incorrect by providers.
- **September 9, 2016, 5:00pm** - Anchors submit responses to HHSC requests for additional information, and Category 3 stretch activity selections and alternate achievement requests.
 - Templates for Category 3 stretch activity selections and alternate achievement requests will be distributed in mid-August.
- **September 30, 2016** - HHSC will approve or deny the additional information submitted in response to HHSC comments.
- **October 1, 2016** - Approved DY6 projects are effective.

DY 6 Rule Packet # 2

- Rule packet # 2 pertains to requirements for the DSRIP program for DY6. The rules in this packet closely mirror the DY6 PFM language.
- These rules were published as proposed in the July 29 issue of the Texas Register.
- There will be a 30-day public comment period. Please note that the date of the public hearing on these rules is incorrect in the Texas Register. The hearing is scheduled for August 26, 2016, at 9:00 am at the Brown-Heatly Building, Public Hearing Room, located at 4900 N. Lamar Blvd. in Austin. This hearing will be webcast. A correction should be posted in the August 5th Register.

UPCOMING EVENTS

Clinical and Quality Committee Follow-Up

- Thank you for attending the Clinical and Quality Committee on August 1st, 2016. We appreciate your feedback for the DY 6 Learning Collaborative.
- The main topics that were discussed were:
 - Quarterly webinars
 - New theme of either sustainability or Population Health
 - Keeping cohorts as is, with the possibility of new cohorts as necessary
 - One face-to-face joint session with RHP 9
 - Discussion around partnering with MCOs
- We will provide more information when the Learning Collaborative template is released from HHSC.

NAMI Walk

- When: Saturday, October 1st
- Where: Trinity Park, Fort Worth
- Start Time: 9 AM
- Register at the [NAMI Walk website](#)
- Our team name is RHP 10 Providers
- We will be providing t-shirts for those who register by September 1st.

Statewide Learning Collaborative

- The primary goal of the Summit for 2016 is to share outcome data and best practices from projects, highlight effective systems of care and discuss next steps as we look to the future of the 1115 Healthcare Transformation Waiver.
- HHSC will broadcast the conference online so that individuals not able to attend in-person can watch presentations and hear discussions.
- HHSC requests your assistance to provide information on the impact of DSRIP in your RHPs to highlight in the Summit. We would like specific information related to Medicaid or uninsured populations for the benefits to your communities.
